- So during that time, you have to be patient in the game as there are lots of options for you to buy them by using coins and other in-game currency.
- Using coins and other in-game currencies can be a very wrong choice for you as they are tough to earn.
- So better stay away from the buying option and learn to wait until the process completes and enjoy the entire process.

The best *my singing monsters hack* is to operate the items which take a long time when you are going for a break or at night time.

Keep the Monsters Happy

In this game, you have to make sure to get all your monsters comfortable as it will decide how much coins they will earn for you. You have to put all those items your monsters like at their nearest reach.

- You can click the question mark for each monster to know what makes your monsters happy. By clicking this, a list of items will appear in front of you, and you can choose among them.
- If you keep your monsters happy, they will help you unlock more places on the Island.
- When your monsters are happy, they will earn more coins and gems.

Keep the Food Stocked Up

To make your monsters happy, you have to take complete care of their food requirements. It can lead you to earn more coins and unlock more levels.

- In the game, you will find a bakery in your items list; you have to upgrade your bakery to make them happy.

- First, you have to purchase a bakery in your items list by clicking on the structures option in the market.
- Once you purchase the bakery, click the 'Upgrade' button and get your bakery upgraded.
- These bakeries are essential to upgrade as it is a source for you to enhance your monsters by providing a huge stock of food.

Complete the 'Goals'

Whenever you are out of money in the game, you can go for the 'goals' options and earn various rewards by finishing the given Goals.

- If you get stuck in the game and couldn't find a way out to buy more resources in the level to upgrade, then click the 'goals' option in the game and earn rewards by finishing the recommended tasks.
- You can earn several rewards in the game like XP, coins, gems, and food, etc.
- These goals are excellent *my singing monsters hack* to earn lots of in-game currencies in the game.
- To make your gameplay secure, you should try to complete more goals in the game as it will add more coins in your account.

Level Up the Monsters

You have to upgrade the monsters for *my singing monsters hack* consistently. Improving your monsters can help you earn more coins and gold in the game.

- You have to feed your monsters with sweets and bakery items from the bakery and the market to upgrade them.
- You should upgrade the monsters at least up to level 4 as at this level they can start breeding with other monsters.
- For more information you can checkout our [my singing monsters breeding guide](#).
- After upgrading the level, your monsters will be capable of earning more coins due to the changed appearances.
- After upgrading they will look more prominent than usual, which will help you get more coins as a bonus for their appearances.

Arrange the Island Systematically

It is essential for you to arrange your items and monsters in the game regularly as you will run out of place once you level up the game. Follow this *my singing monsters hack*, and you can save coins from buying additional space at the beginning.

- After upgrading the game, you will receive more items and monsters which you have to put at the right places on the Island.
- Whiling putting them at the places, you have to check whether the whole area is fully utilised or not.
- Arranging them systematically not only make you earn more coins, but the monsters will also sing in good tune.
- The Island contains a Castle where the Monsters live, and you have to upgrade the castles once it gets full of monsters.
- There are some spots on the Island which are locked. To unlock these spots, you have to spend coins to buy them.
- You can rearrange everything on the Island at any time. Place all your monsters at the place where they can sing well.

Breeding Process

There are two ways to earn coins quickly in the game. One is through breeding two monsters at once and the other *my singing monsters hack* is by breeding hybrid monsters.

- To breed two monsters at once, you have to pick any two monsters for breeding. Once the eggs are ready to hatch, put them in the nursery.
- After they hatch, sell them to the market to earn coins rather than placing them on the Island.
- Breeding hybrid monsters mean breeding three monsters together.
- This process is a bit tough, but it ensures more coins.
- One benefit of breeding hybrid monsters is, you will be able to get different tunes in one monster.

Decorate Your Island

In My Singing Monsters, you will come across over 150 cute and funny monsters. All the monsters contain different tunes and voices. Your job is to feed them, make them happy, and help them grow in a beautiful atmosphere and you will get rewards in return.

- Always keep your monsters happy and upgraded to get more coins.
- You have to create an enjoyable and soothing environment on the Island by decorating it, which will help your monsters to sing well.
